Lynne Schultz presented the award to President & CEO Eric D. Weiss.

elite | studio e, a foodservice solutions firm, is the proud recipient of this year's Manufacturers' Agents for the Food Service Industry Region 3 "Dealer of the Year Award." Presented on Monday, October 2, 2017, at the Village Club of Lake Success, nearly the entire company came out to celebrate the day.

Upon presenting the award, Lynne Schultz of Tri-State Marketing stated, "The word success only barely touches on Eric's achievements."

Eric D. Weiss, President & CEO of elite | studio e, founded the company in 2000 with only 3 team members and more than 20 years of industry experience. Today, there are 40 individuals in the firm, including Eric's nephew, daughter and son. "Without [my team] we couldn't do the quality of work we do, which in turn, supports all of the MAFSI members in this room," said Eric during his acceptance speech.

For 15+ years, **elite | studio e** has been providing comprehensive design consulting services with an emphasis on planning within all segments of the foodservice industry. Our portfolio includes corporate foodservice, healthcare, aviation, government, higher education, K-12, charter school and leisure. In every location we provide an array of services from the larger necessities — kitchen equipment and server and dining area design — to the details — brand development and smallwares selections that enhance your food and coordinate with your space design.
